

WATER-SUPPLY DIVISION.

Notification dated 2nd May 1918.

1. Notice is hereby given that separate sealed tenders will be received by the undersigned up to 4th June 1918 for the supply of articles as noted in a separate statement required for use of this division for the period 1st July 1918 to 30th June 1919.

2. An approximate estimate of quantities required is given against each item under each group in the list, but these quantities are not guaranteed. Any quantity 20 per cent more than the tendered articles shall be supplied at the tendered rates at any date between 1st July 1918 and 30th June 1919.

3. Parties are at liberty to tender for one or as many whole groups as they desire, but there should be a separate tender for each group, but competitors are not allowed either to split up the groups or tender for portions of groups or include more than one group in a tender.

4. Each tender should indicate the group number to which it relates in the list.

5. The tender for each group should be accompanied either in cash or currency notes by a deposit of earnest money fixed for that group as noted in para 6 and should be submitted in a cover sealed and superscribed "Tender for the supply of materials Group No. for the use of the Water-supply Division for the period from 1st July 1918 to 30th June 1919. No tender failing to fulfil any of the above conditions will receive attention.

6. The earnest money required for the several groups of articles in the list are:—

		Rs.

Do 2.	Hides and skins	...	50
Do 3.	Metals	...	25
Do 4.	Paints and painters' stores	...	25
Do 5.	Lubricants	...	50
Do 6.	Hardware	...	25
Do 7.	Pipes and fittings	...	25
Do 8.	Miscellaneous	...	50
Do 9.	Tools and plant	...	50
Do 10.	Sundries	...	20

7. The final acceptance of the tender will rest with the Superintending Engineer, Southern Circle, who does not bind himself to accept the lowest or any tender or assign any reason whatever for the rejection of any tender.

8. The names of the successful competitors will be published on the notice board in the Executive Engineer's Office in usual course on receipt of orders accepting tenders. The group or groups for which a party's tender or tenders have been accepted will also be noted against his name on the notice board. No enquiries of whatever nature regarding the tenders will receive any reply.

9. The successful competitor or competitors will be required within eight days of the acceptance of his tender or tenders to execute a contract bond for the group or groups allotted to him, in default of which his tender or tenders will be considered cancelled and his earnest money will be forfeited.

10. On acceptance of the tenders, the earnest monies on rejected tender or tenders will be returned to the parties concerned. The earnest monies for the tender or tenders of the successful competitor or competitors will be returned to those concerned only when the supply is made satisfactorily throughout the entire period for which the contract is to run.

11. The successful competitor shall guarantee to maintain at Bangalore at stock 50 per cent of the materials enumerated in the group or groups allotted to him in the list and shall comply with all indents made on him within three days of the order sent to him and follow the same procedure throughout up to 30th June 1919.

12. The rate tendered and accepted for each item shall include cost of delivery at the "Stores" attached to the Water-supply Division at Bangalore and shall be binding on the supplier for the period from 1st July 1918 to 30th June 1919 irrespective of all fluctuations in the market during the period.

13. Materials supplied by the party but found not to be upto standard in quality or in any respect, will be rejected and the supplier shall remove and replace the same with fresh articles then and there at his own cost.

14. Should the successful competitor fail to supply the required articles or replace the rejected ones in time, the Executive Engineer will make other arrangements to procure them at the risk of the party should there be loss to Government but with no benefit to him should there be profit due to difference of rates as tendered and approved and as purchased.

15. Weights, etc., of materials supplied, as sealed by the Chief Store-keeper on suppliers' invoices will be accepted as final and no representation by the supplier of his weights, etc., being correct will be considered and supplies made to the "Stores" unaccompanied by invoices will not receive attention and will be there at the suppliers' risk.

16. The supplier is bound to supply any of the materials direct to any pumping station outside Bangalore when so advised by the undersigned, in which case conveyance charges including Railway freight from Bangalore up to the Pumping Station will be allowed to him.
